WHY BRANDS WORK WITH NATURE

- **Proven social proof.** Featured by Cardi B and serving as a Pretty Girls Jugg ambassador - she's already in rooms with major names.
- **Natural product plug-ins.** She already tags hair and outfit brands in her content, so a sponsored post feels like her everyday posts.
- **A loyal, engaged market.** Peak posts have pulled 14K+ likes - this audience moves when she tells them to.
- **On-camera confidence.** As a performer and creator, she brings presence that makes brand messaging land.
- **Houston-based reach.** Rooted in one of America's strongest markets for beauty, fashion, and nightlife culture.

AUDIENCE INSIGHT

Who's Watching

Her followers skew 25-44, the demographic with real spending power, concentrated in Houston and other major US cities. They follow Nature for confidence, style, and an unfiltered window into her world - and they buy what she recommends.

Audience Age

Primarily **25-44 years old** - grown, working, and spending on beauty, fashion, and lifestyle.

Top Locations

Houston, Texas leads, with strong reach across other major US metro areas.

CONTENT PILLARS

- **Beauty & hair.** Wigs, styling, and glam that stop the scroll - a natural home for hair and beauty brands.
- **Fashion & fit checks.** Streetwear to red-carpet looks, already tagged and brand-ready.
- **Lifestyle & nightlife.** Real moments from a life her audience wants a piece of.
